

On Saturday 18th July 2015 I held a kind of radio debate with Timothy J. McGrew, a conservative Christian apologist and professor of Philosophy at Western Michigan University. It was a two-part back-and-forth on “Unbelievable,” a weekly program hosted by Justin Brierley, which airs on UK Premier Christian Radio. I taped the interview from the station’s London studio.

The debate was on the topic: Can We Trust the Gospels?” Here Part One.
