

On March 5 I had a radio interview at the local NPR station with Frank Stasio, host of “The State of Things.” Most of the interview had to do with my religious journey from Christian fundamentalist to atheist; by the end we got to the ostensible reason for my being there, my then new book “The Triumph of Christianity: How A Forbidden Religion Swept the World.”

Frank is one of the very best interviewers anywhere, extremely good, as you’ll hear. He really knows how to get to the heart of an issue and to keep it interesting. Enjoy!
