

On May 1, 2018 I was interviewed by Sam Harris for his podcast “Waking Up.” Ostensibly the interview was to be about my book **“The Triumph of Christianity: How A Forbidden Religion Swept the World”** but we covered a wide range of topics, from my autobiography to numerous substantive issues, including the nature of miracles, the composition of the New Testament, the resurrection of Jesus, the question of heaven and hell, the book of Revelation, the End Times, contradictions in the Bible, the concept of a messiah, whether Jesus actually existed, and the conversion of Constantine! Now **that’s** a lot to talk about in a single interview!
